Reports with records on the
subject.

Attention is respectfully invited
to G.O no 1761-2 of 210 of in the records
Collection of file no 166-06. In the
concluding part of the order, it was
directed that the Ryas who actually
performed the Puje service should be
given the produce of the lands for
the previous years. As regards the
Archakship, it was ordered that
Ramawamy Khattha and Venkata-
varadachari should work in turn
for 3^{years} and 1 year respectively and
enjoy $\frac{3}{4}$ ^{the} and $\frac{1}{4}$ ^{the} share of the
entire Inam lands.

Ramawamy Khattha says ^{that}
as he was doing Puje during the
years 1904-5 and 1905-6, the produce
of these years might be given to
him. In his report of 10th October 09,
the Shikdar states that the produce
of these 2 years was given by the

cultivators to Venkatarao Babu and
Srinivas Bhatta (one of the former
claimants to the post), that the former's
whereabouts are not known and the
latter is dead, and that the exact
income realized ^{during} these years cannot
be ascertained

7/2/99)

The Amildar reports that as
per Govt orders, Venkatarao Babu
could not be placed in possession of
 $\frac{1}{4}$ th share of the Guam lands, that
it is not possible to make out the
value of $\frac{1}{4}$ th share of the produce enjoyed
by him during the said 2 years and that as
Ramaswamy Bhatta has been enjoying
the entire Guam lands inclusive of
the part intended for the other heirs
since 1907, he has been compensated
for the loss and suggests that
no further action is necessary. He
adds that steps will be taken for
the recovery of the khandayam due
from the lands for the year 1905-06.

11/9/99)

The Sub. Divl. Officer states
that in addition to the 3 yrs. 1907-8 to 1909-10
during which Ramaswamy Bhatta has
been in the enjoyment of the whole Guam

which is $\frac{1}{4}$ $\frac{1}{16}$ in excess of what rightly belongs to him, he may be continued in possession of the whole Inam for 5 years more so that these 8 years enjoyment of the entire Inam lands will compensate for the 2 years' entire produce due to him

The Dy. Commr invites reference to the reports of the Amildar and the Sub Divl officer and adds that Ramaswamy Shetty has no grievance to complain of

As for the petitioner's prayer for the removal from office of the other hissar for failure to perform Puje for some years past, the Dy Commr reports that this question will have to be considered after the lapse of 3 years after the passing of the Govt^x order, as according to this order Venkataravachar's Term for the Puje accrues only then which fact has been communicated to Venkataravachar Acharie from October 1910.

Submitted. The difficulty arises if & when
29/6/10 Venkat. Vanadachar appears & claims his
1/4 share from the date of Govt order i.e 2.10.07.

The facts of this case will be clear from the books in files 94 of 1901 and 106 of 1906 put up herewith.

The personal history of late Rameswami Bhadani is more
 fully what he used prior to the order of Oct 2 1907 in P. N.

It is now reported that the former of these years does
pertain to Venkov's case and the latter a liberation
and the latter is dead and the former's whereabouts
are not known and that therefore it is not possible
to find the former of the two years delivered to justice.

It is however true that a puttee is in possession of the entire land he is compensated. He doesn't appear to be so & if puttee remained in possession of all the land for four years but worked for only three some other man working without remuneration for one year, puttee would be compensated for the loss of one year's presence & but if puttee is absent for four years also he will have had his remuneration for seven and there can be no compensation.

Sir,

With reference to your docket No 638 / M.F. 125 -07 dated 2nd September 1909 forwarding a petition from Ramaswami Bhatta Archak of the Sri Ramadevaru temple at Kadaba , praying for the disbursement of the produce of the Inam lands for the previous years etc, I have the honour to invite reference to the Government Order No 1761-2 of 2nd October 1907 directing that Ramaswami Bhatta and Venkatavaradachar should work in turns for 3 years and one year respectively , and that as regards the Inam lands they need not change hands, $\frac{3}{4}$ of the share permanently remaining with one Pujari and $\frac{1}{4}$ with the other, and that the Pujari who actually did the Puja service during the years 1904-1905 and 1905-1906 should get the produce of the lands for those years. On receipt of the order, the Amildar was directed to give effect to it . From the records received from the Sub Division Officer , it is seen that the temple Inam lands were in the enjoyment of one Srinivasa Bhatta one of the former claimants to the Archakship , since deceased, Venkatavaradachar . The cultivators of these lands were examined in their statements made in July 1909, they say that the previous year 1904 1905 and 1905-1906 was handed - and Venkatavaradachar , but that

2.

no receipt of payment was demanded from the receivers of the produce as it was not the practice to do so. Srinivasa Bhatta is reported to have died about September 1903 . The Amildar reports in his Camp No 5 dated 27th December 1903 , that the jodi on the Inam lands for 1904-1905 is paid and that for -- 1905-1906 is still outstanding , and that for ^{the} ~~the~~ recovery steps are being separately taken . He states also that it is not possible to ascertain from any reference to the Pahanl Takhtas, etc, the exact quantity of the produce delivered to the parties and that the only available data , in the ^{ab} ~~ab~~sence of ~~the statement of~~ Archak Venkatavaradachar whose whereabouts are not known , are the statements of these cultivators who are stated to have deposed from memory . The Amildar further adds that there is no necessity for taking steps for the recovery of the produce for 1904-1905 and 1905-1906 , as the present Archak Ramaswami Bhatta has been in the enjoyment of the $\frac{1}{4}$ hnk of the Inam lands assigned to Venk-tavaradachar from the year 1906-1907 and has thus been compensated for the 2 years' old dues claimed by him .

2. As regards ^{the} removal of Venkatavaradachar from his office of hissedar owing to his default to perform Puja since July 1904 as urged by the Petitioner, the Amildar in his above report states that this question will have to be considered after the lapse of 3 years after the passing of the Government order referred to above, as according to the said order Venkatavaradachar's turn for the Puja accrues only then, which fact had been duly communicated to Venkatavaradachar .

3. The Sub Divisional Officer agrees generally with the above report and adds that the petitioner has to continue in possession of the entire Inam lands longer if the claim advanced by him is to be fully satisfied, but observes that the recovery of the arrears of the produce as now claimed summarily is not possible . Ramaswami Bhatta it is seen from the above, has no grievance to complain of.

4. The file of vernacular records relating to the case is herewith forwarded for reference.

I have the honour to be
